## BENEFIT DINNER AND AUCTION March 12, 2016

January 13, 2016

Dear AHAC members, supporters and friends of the arts,

FilmOneFest has grown in leaps and bounds since the first festival 8 years ago. Our new programming with an earlier start time included additional bands and the student FilmYoungFest, which was well received by the audience. FilmOneFest, the International One-Minute Film Festival, will be on Saturday, July 16, 2016.

In order to have such a successful event, we need to raise a significant amount of money. As many of you are aware, the benefit dinner auction is our biggest fundraising event. You can help us achieve this goal by either donating an object, a service, cash or any other creative donation to the auction; by attending the dinner at the Beacon Hill Country Club; by spreading the word to your friends about our needs and by joining us at the festival. Note that no donation is too small.

Together we can continue this magical and significant event for our community and the arts! Last year we had:

- Over 2,500 festival attendees
- Over 243,000 hours of video views
- Demographic study completed and attached.

We also have other opportunities that will greatly support our festival fundraising efforts. As a business or individual, your support would be very much appreciated as a sponsor and/or advertiser in our festival program (information enclosed). With your sponsorship you are able to reach a large local market through extensive PR, with over 40 press releases a year, social media, displayed marketing materials distributed throughout the community, on our website and app. Please contact us at: [info@filmonefest.org](mailto:info@filmonefest.org) to let us know about your donation or visit our website at [www.filmonefest.org](http://www.filmonefest.org) for more information about FilmOneFest.

Thank you again for your generosity, community support and, most of all, for helping the art community in Atlantic Highlands thrive.

We look forward to your support! **Please contact us no later than February 20, 2016 if you are contributing to the auction.** If you have any questions, please contact:

Corinna Thuss  
Managing Director
